

Thorpe Bay Yacht Club
Cadet Week 2016
Monday 1st August – Friday 5th August

Dear Cadets and Parents,

Please find enclosed a registration form for Cadet Week 2016.
There are 4 Groups this year as follows:

STINGRAYS - Leader: Jeremy Sandford

This group is mainly for beginners and those who do not wish to take part in structured courses or races. The emphasis will be on having fun. Minimum age - those starting infant school in September 2016 (children need to be confident in and around the water and your presence as a helper is encouraged. **You will need to be on the beach at all times.**

Maximum 50 cadets.

PIRANHAS – Leader: Andras Gal

This group is to enable the transition from Stingrays to Barracudas, with activities designed to develop confidence on the water and basic seamanship. All cadets in this group should have completed Stage 1 and/or be regular participants in either the Pico series or club racing. Cadets need to be confident in a Pico, even if not experienced. Also need to go to and from the beach unsupervised. Adult helpers must be competent and willing to sail a Pico in windy conditions as the whole idea of the group is to build the children's confidence throughout the week. **Maximum 40 cadets or (20 boats). All in Picos 2 up**

BARRACUDAS – Leader: Scott Weller

This group will be focusing on seamanship skills, sail training as well as racing. All helms in this group must have completed Stage 2 and/or be **regular participants** in either the Pico series or club racing.

Maximum 40 cadets (20 boats). All in Picos 2 up

SHARKS - Leader: Rupert Snow

This group is for older cadets who are confident sailors. They will be expected to be sailing in socially compatible pairs (unless the boat is a single-hander) and will practise boat handling skills, have fun races and explore the Estuary with the possibility of an overnight camp at the Island Yacht Club on Canvey.

Maximum 40 Cadets (35 boats)

Should you have any questions regarding Cadet Week, please e-mail Jeremy Sandford on jeremysandford@hotmail.com

ALL PARENTS

Please fill in the attached volunteer form letting us know how you can help during Cadet Week. The week really does depend on your support and you are reminded **at least one parent or appointed guardian per child is required to help out in some way, the more volunteers, the less duties!**

Places for Stingrays and Piranhas will be allocated to those participating in Oppie Beach club and Pico series first, then on a first come first served basis as this is a novice group by definition. Places in both Barracudas and Sharks groups will be at the discretion of the Cadet Committee and will take into account regular sailing activity in both the Pico Series and/or Club racing and attendance at Friday Cadet Nights if the demand for places exceeds the maximum numbers given.

It will be at the Cadet Committee's discretion as to which group a child will be allocated. This will not necessarily be aged related, but ability related.

With the exception of the Stingray group, all cadets will need to supply their own boats. It is the Parents' responsibility and not that of the Group Leaders to secure boats for cadets. Please ensure you have acquired a boat and /or partner before applying for Cadet Week.

DVD of Cadet Week.

These will be available during the week following cadet week at a cost of £10.00 each and can be pre ordered on the registration form.
