

TBYC's Legendary Golf on the Mud is Back!!!!

Date Saturday 26th September 2020 First Tee Off at 13.00 water permitting

The course

How to play

The teams will be given a course card with scoring card on the back and as in usual golf rules, one person will score for the 4 people and another will check and sign off the card.

There will be no handicap system after all there isn't in SAILING. However, cadets are encouraged and will get a 2 shot advantage on each hole he he

The first team will tee off from a point on the shore box line (The Start Area) and will aim to the first hole (Racing mark 3) each player will be deemed to have holed out when they have hit the mark with the ball. Then the team will take approximately 30 paces to the left of the mark, level with the

mark, but not closer to the next mark, and tee off to that mark. And so on for a 6 Hole / Mark course.

Players must play with only one club and are reminded that some footwear is advisable as there are sharp objects in the mud.

The whole course is considered to have occasional water so you may tee-up every shot.

Teams will be teams of 4 and tee times will be allocated on the day. Scoring the lowest cumulative team score wins. The maximum number of shots for a hole will be 10 shots over ten and you pick up your ball score 10 and move on.

We may shorten course on the day dependant on numbers as I King Canute demonstrated we can't stop the TIDE!!!

This is intended to be a fun family day so you are encouraged to set up on the beach with picnics etc and enjoy the fun with an impromptu prizegiving held in the main bar or car park depending on participants at the club at the end of the event with trophy for the winning team and ad hock prizes at the discretion of the organising committee ME he he

Name of Team	Hole 1	Hole 2	Hole 3	Hole 4	Hole 5	Hole 6
Player Names						

Sadly I also have to remind all we are still governed by HM government rules for social distancing so please follow guide lines
