## Cadet Week Information Pack 2022

Monday 25th July - 29th July 2022

Dear Cadets and Parents,

### ALL PARENTS

Please fill in the online application and volunteer form letting us know how you can help during Cadet Week. The week really does depend on your support. **You are reminded that at least one parent or appointed guardian per child is required to help out in some way during the week; the more volunteers, the fewer duties!**

*Places for Stingrays and Piranhas will be allocated to those participating in beach activities and Cadet racing first, then on a first come first served basis as these are novice groups by definition. Places in both Barracudas and Sharks groups will be at the discretion of the Cadet Committee, and will take into account regular sailing activity in both the Race Series and/or Club racing and attendance at Friday Cadet Nights if the demand for places exceeds the maximum numbers given.*

*It will be at the Cadet Committee's discretion as to which group a child will be allocated. This will not necessarily be aged related, but rather ability related.*

*With the exception of the Stingray group, all cadets **must** supply their own boats. It is the Parents' responsibility, and not that of the Group Leaders to secure boats for cadets. We do have a small number of club boats that can be borrowed for the week with prior arrangement. Please contact Lindsay Rainbow on [cadetreptbyc@gmail.com](mailto:cadetreptbyc@gmail.com) to discuss this as soon as possible before completing your application. All boats must have sail numbers to identify them on the water.*

***Please ensure you have acquired a boat and/or partner before applying for Cadet Week.***

Please read, then complete the online application form for Cadet Week 2022.

### Fees

The price of Cadet Week 2022 is £95.00. We are lucky to provide an extensive programme at such a reasonable cost due to sponsorships secured, for which we are extremely grateful. Due to the expected demand, there will be no refunds for late cancellation or for those attending only part of the week. Please send your cheque, made payable to TBYC or bank transfer and complete the online application form no later than **Sunday 1st May 2022**. Payment for Cadet Week must be made **in full** at time of application. This can be by cheque or bank transfer to Thorpe Bay Yacht Club, sort code 55-50-28, account number 02539004. Please use your child's name as a reference.

If you are posting your application form, please put it in the mailbox which is situated by the front door of the Clubhouse. Please ensure that envelopes are addressed to Lindsay Rainbow - Cadet Week 2022 c/o TBYC. Please do not leave any application forms behind the bar

## Cadet Week Information Pack 2022

Monday 25th July - 29th July 2022

There are 4 Groups this year, as follows:

### **STINGRAYS - Leader: Adam Clark**

This group is mainly for beginners and those who want to gain confidence in a boat through fun games and sailing challenges. The emphasis will be on having fun. Minimum age - those starting infant school in September 2022. Children need to be confident in and around the water. **A parent will need to be prepared to accompany their child in the water as a group helper for all 5 days of the event if the child is in stingrays** (if you have 2 parents at the week please volunteer to help in other duties if you can) Priority will be given to those regular participants in Beach activities or Cadet racing activities.

**You will need to be on the beach at all times and have a parent in the water. Maximum 50 cadets.**

### **PIRANHAS – Leader: Mark Dell**

This group is to enable the transition from Stingrays to racing in Barracudas, with fun activities designed to develop confidence on the water and basic seamanship. All Cadets need to be confident in a boat, even if not experienced. Adult helpers must be competent and willing to sail a Pico in windy conditions, as the whole idea of the group is to build the children's confidence throughout the week enabling them to leave the beach, sail a triangular course and return to the beach unaided.

**Maximum 40 cadets (20 boats). All in Picos 2 up or individual Teras/Bytes/Open Bic**

### **BARRACUDAS – Andras Gal**

Those applying should normally be of secondary school age and have a good level of sailing experience with confidence on the water. However it may be appropriate for a less experienced sailor to pair up with a cadet who is a confident helm. The activities will include sail training, expeditions and racing. Participation in the Cadet Race Training programme would be helpful.

**Maximum 40 cadets (20 boats). All in Picos/Teras or faster boats**

### **SHARKS - Leader: Scott Weller**

This group is for older cadets who are confident sailors. They will be expected to be sailing in socially compatible pairs (unless the boat is a single-hander) and will practise boat handling skills, have fun races and explore the Estuary.

**Maximum 40 Cadets (35 boats No Cats)**

The sailing timetable for the week will be available nearer the time. As a guide, activities will commence with registration on the Sunday 24th July at 15:00hrs. The main briefing will commence at 9am on Monday 25th July.
