The Start/Finish & Course

Committee boat start – The final course will be on the black board and will include: Lee Buoy (P), Yantlet Beacon (P), Leigh Buoy (S)

All Cadets (17yrs under) Final course will be on the blackboard but will be a separate race and will not be crossing the Channel.

Shore Box Finish – The Finish will be at the shore box using the usual club line.

Crossing the Shipping Lanes

All competitors are reminded of the Regulations for the Prevention of Collision at Sea and in particular that ships in the channels will have restricted ability to manoeuvre or are constrained by draught and therefore have priority over sailing vessels. Keep a look out for ships in the shipping lanes and pass well astern. Plan and alter your course accordingly.
